Subject: Henrietta AOCs

Nathan - I was not able to find fully executed copies of the AOCs for the Henrietta site in EPA's records. I assume since BLM was the lead that they have the fully executed AOCs. Also, for EPA administrative cases you can find some of AOCs at the following link:

<http://yosemite.epa.gov/oa/rhc/epaadmin.nsf> This includes administrative cases for all the statutes and for Region 8 it only goes back to about 2007.

Good talking to you yesterday and I will see you on the 28th.
